

West Virginia Healthy Resources Directory

Healthcare Professionals

The WV Healthy Resources Directory is being developed to assist individuals and groups in locating health professionals in specific areas of the state that can provide professional assistance that focus on obesity, physical activity, and nutrition. If you are a **healthcare professional** in West Virginia and would like to have your name and contact information included in this statewide directory, please complete this form, and submit to: **WV Healthy Resources Directory, P.O. Box 451, Athens, WV 24712**. There is no fee to have your name listed as a resource in this directory. We will be informing the directory users that some participants may request a fee for their services.
